

Classroom Management Strategies

Strategies for Preventing Disruptive Behavior

- Preparation is Key!
- Keep Kids Engaged/ Be a Student of your Students:
- Connect Before You Correct:
- Review Classroom Expectations EVERY week: (see pg. 20 of Teacher's Manuel)

Strategies for Dealing With and Teaching Through Disruptive Behavior (see pages 21-22 of Teacher's Manuel)

- Use subtle techniques to *redirect* children:
- Figure out the “why” behind their actions:
- Administer logical consequences for misbehavior
- Ways to bring back a rowdy classroom:

Strategies for Special Needs Children (But Really for ALL Children)

- Try to figure out their function of behavior (Why are they doing what they're doing?)
Behavior is communication...the child is trying to tell us something.
